Night Golf event

11th of October

Shotgun start at 7:30PM

The format for the event is a two person scramble, each team is paired with another pair and will mark each-others score cards.

Format of a scramble – Both players in the team drive off, then the preferred shot is picked, and both players then hit a shot from that spot. This continues until the ball is in the hole. The players will get a handicap of ¼ of their combined. E.g if player A has a handicap of 20 and player B has a handicap of 15 then the combined handicap is 35. 35/4=8.75. The pair will play off a handicap of 9 for the event. It will be done on stableford score so if you can no longer get points on a hole please pick up.

Presentation will be directly afterwards and 1 drink and light snacks will be provided.

For the Night Golf event it is advisable to wear brightly coloured clothing so people behind can see the groups ahead. You may bring a torch but it is not required, the way will be lit up by glow sticks along the edge of the fairways, hazards and greens. Please arrive at least 30 mins prior to shotgun to allow time to check in, collect your golf balls and walk out to your starting holes. Check in will be open from 6:45 PM.
